

REMARKS

Responsive to the Office action mailed May 23, 2006, applicant request entry of the foregoing amendments, consideration of the following remarks and reconsideration of the rejections set forth in said office action.

Claims 3, 14, 25 and 30 were objected to under 37 CFR 1.75(c) as failing to further limit the claims from which they depend. Claims 3, 14, 25 and 30 have been canceled and the dependences of claims 4 and 15 amended. In view of these amendments, the objection to claims 3, 14, 25 and 30 is moot and should be withdrawn.

Applicants acknowledge the examiners indication that claims 1, 2, 4-13, 15-24, 26-29 and 31-33 are allowed.

In view of the foregoing amendments, applicant respectfully submits that claims 1, 2, 4-13, 15-24, 26-29 and 31-33 of the present application are in condition for allowance and prompt favorable action is solicited.

Respectfully submitted,

Date: June 1, 2006

Steven D. Boyd
